Fair Winds Brewing Company Wins Gold at Great American Beer Festival

Washington, DC – 26 September – Fair Winds Brewing Company was awarded a gold medal for Siren’s Lure Saison at the Great American Beer Festival (GABF) in Denver, Colorado.

This was a good year for Virginia craft breweries, who brought home a total of 9 medals. Fair Winds Brewing Company’s medal was one of only 4 gold medals won by VA breweries, and the only one awarded to a NoVA or DC area brewery. “While we are excited to be recognized by the judges and our peers in the industry, we are are most excited to have received this honor only six months after opening our doors. This speaks to the talent and dedication of our team as well as our relentless focus on the quality of the beers we produce” said Casey Jones, CEO of Fair Winds Brewing Company.

A full list of winners can be found on the [GABF web site](#).

Fair Winds Brewing Company beers are distributed throughout Northern Virginia and the District of Columbia by the Reyes Beverage Group’s Premium Distributors.
